**Re: Intercarrier Compensation, CC Docket No. 01-92**

Dear Ms. Dortch:

On Friday, January 21, 2005, Curtis Groves and the undersigned, MCI, met with Scott Bergmann, Legal Advisor to Commissioner Adelstein, in connection with the above-captioned proceeding. During the meeting, MCI explained that the intercarrier compensation framework established by the *ISP Remand Order* should apply to all ISP-bound traffic, including “virtual NXX” arrangements. MCI explained further that the incumbent LECs’ cost of transporting ISP-bound traffic does not vary depending on the location of the ISP’s server.

In accordance with Section 1.1206 of the Commission’s rules, this letter is being filed with your office for inclusion in the public record. If you have any questions concerning this *ex parte* notice, please contact the undersigned.

Yours truly,

/s/ Alan Buzacott
